Cobaine 26

3

Room to Gather, Space to Retreat The Cobaine is designed for connection and comfort. A sunlit open-plan living zone leads effortlessly to the alfresco, creating a natural hub for entertaining. With a second lounge and a separate games room, there?s space for every activity? from family movie nights to lively get-togethers. Four generous bedrooms, including a private master suite, provide the perfect retreat when it?s time to unwind.
