Macedon 31

4

Made for Living, Built for Sharing The Macedon is designed for families who value connection, comfort, and space to unwind. With generous open-plan living, a separate lounge, and an alfresco that's ready for entertaining, theres a place for every moment. Four spacious bedrooms provide room to grow and a dedicated study ensures work or study can happen without disruption. It's a home that adapts to your lifestyle, every day.
